DEDICATION

This year when it came time to choose which member of the faculty would receive this year's Yearbook Dedication it wasn't hard at all. The choice was obvious, for the past four years he has been the Class Advisor to the Class of 1991, Yearbook Advisor, and an Art teacher. With all of the time and hard work he has put into the class of 1991 like our Junior Prom, class trips to Rocky Point and the many fund raisers, it's no surprise that this year's recipient for the Yearbook Dedication is Mr. Robert N. Kindelan, and this being "K-s" last year at Holbrook High, what a terrific opportunity to thank him for all that he has done . . . We love ya K —

SUPERINTENDENT'S MESSAGE

A yearbook is in a very real sense a record of memories — your memories — the memories you hold both individually and in common as students of Holbrook Junior-Senior High School. It is the School Committee's sincere hope as well as the administration, faculty, and support staff that those memories are pleasant ones that you will cherish them throughout your life.

You have received an education that will serve you and serve you well throughout your life, and the memories within these pages will serve you in those quiet and reflective moments when you turn your thoughts back to your days at Holbrook Junior-Senior High School.

On behalf of all of us who care so much for each one of you, I wish you good health and the happiness and success which result from meaningful and productive work in service to family, friends, and the greater community.

Goodbye

Saying goodbye after thirty-one years in the Holbrook School system is very difficult. The varied experiences and the satisfactions have been many and great.

Teachers, in 1960, had to be concerned only with what they were trained to do: to teach students the skills to make them productive and valuable members of society-workers or employers; that simple view of our mission is not possible today.

Holbrook schools, too, have changed. While maintaining a high level of instruction and leadership, social issues necessitated our addressing some of society's problems through our curriculum. We are a mirror of our society, our school a microcosm of all its good and all its bad. We must continue to teach our students to take command of their history, their language, and thereby their future — our future.

My goal was to try to ensure that future for all of our students. With a blend of pride, nostalgia and, as always enthusiasm, I believe I have attained that goal.

Faculty

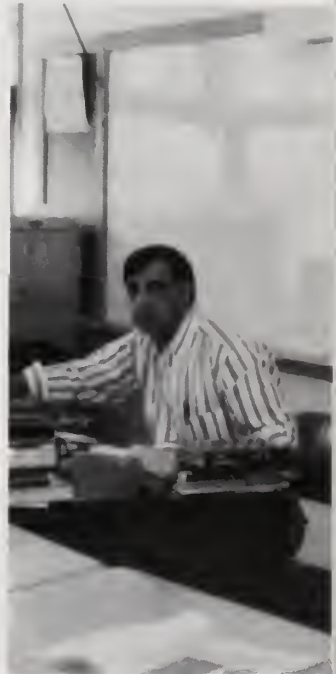

FACULTY

Students at Holbrook Jr. Sr. High think of the faculty not only as their teachers but also as their friends. If you have a problem, usually the teachers notice and ask if they can help. Not only will we miss our friends when we leave Holbrook Jr. Sr. High, but we will also miss you, our teachers. You have had a positive influence on us these past six years. We will always remember what you have taught us, not only Geometry, Spanish, etc . . . but the lessons in life we have already learned. Thank You.

Magical Moments

"Keep the fire burning
Make the magic last
Hold on to the memories
Before they become the past" . . . Mirna Battikha,

No pumpkin coaches were seen parked outside Holbrook Junior Senior High School that Friday evening, but inside the school the class of 1991, under the magic wand of the Fairy Godfather, class advisor and art teacher Robert N. Kindelan, transformed the gym into a land of "Magical Moments", based loosely on the Cinderella story.

The room was decorated simply yet very elegantly with white brick walls covered with ivy giving a real feeling of being in a castle. A waterfall cascaded into a wishing well below the throne for the king, queen and their court. Tall blue windows behind the throne reached high into the stars. Small lanterns lit the dance floor. Cinderella's coach and footmen decorated the back wall.

The handsome princes and beautiful princesses danced the night away under a lighted clock with hands fixed at five to midnight. Glass slippers resting on the star-shaped confetti, glistening streamers, purple, black and silver balloons and psychedelic purple plates adorned the tables where the guests.

Football

Although the 1990 Bulldogs didn't have a winning record, in the hearts of their fans they were indeed winners. Led by co-captains Scott Clifford and Tim Jenkins, the Bulldogs went from having no money to play, to completing a fundraiser that raised the funds that were needed. We wish the team Good Luck in the years to come.

Volleyball 1990

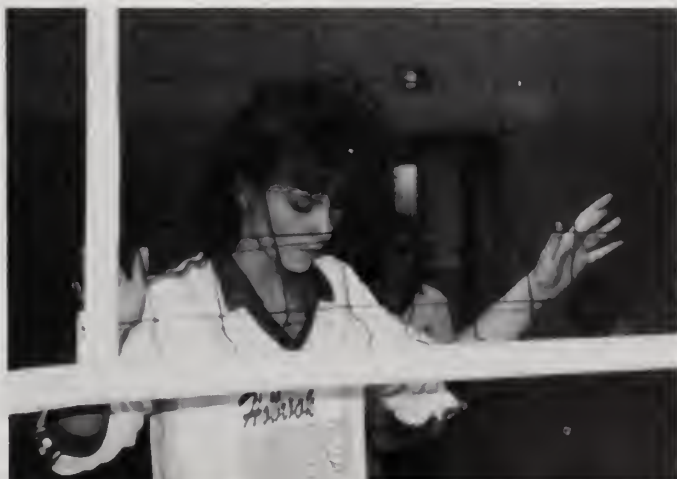

For only a 2nd year sport, Holbrook High School showed signs of life after starting over with a new coach. With a year of experience behind us, we achieved more of our goals on the court as a team.

Hard practices of "getting serious" built up our esteem to keep on trying (even though our record didn't show it!) Team work and friendship helped us out of many spots.

Thank you to Coach — Mrs. McLaughlin & Tozz and to my best co. Captain Christine Johnson!

Dress Up Day

It is "dress-up" day, one of the many spirit events put on by the Student Council annually, that is the students' favorite event. This Halloween students came to school in attire such as: togas, babies, monsters, gang members, etc. Some of the students even used this day as an excuse to just roll out of bed and wear their pajamas to school.

CONGRATULATIONS SENIORS!!! CLASS OF 1994

As we look back and think, we realize how much the class of 91' has done for us. We thank them all for all the special memories they've given us.

Next year without the seniors, it will be as if a part of us and the school, is missing but...they'll always be in our hearts. We wish the best of luck to the Class of 1991 and hope all their wishes come true.
